

## ***Giving Autistics' Parents Support***

### ***Team Captains:***

Thank you for registering a team for our 2nd annual autism walk! The registration fee is \$50.00 per team. We encourage you to set a goal of how much your team plans to raise for the walk. We have enclosed fund raising ideas but we also encourage you to get creative and come up with some ideas of your own. Have fun and remind folks that all the money your team raises will be helping area families throughout the upcoming year.

Also enclosed is a sample of the t-shirts available for the walk and a registration form. If you are interested in pre-ordering, please have your money for the shirts into SADI by September 17th. Shirts can be purchased the day of the walk. Team Captains get a free shirt. When completing the order form for the shirts, write Team Captain next to yours to indicate that you do not have to pay for your shirt.

Please share the following information with your team:

***Parking-*** Activities and food will be set up on the SADI parking lot. Car pooling is suggested to prevent an overflow of vehicles along walking trail.

***Walking-*** The walk will take place around the block where SADI is located. The distance is approximately the same as walking around the lake at Cape County Park (almost one mile). We will have signs marking the path of the walk.

***Weather-*** If you participated in the walk last year you can probably remember how cold it was! I think it was a record low for October. However, everyone bundled up and walked. In the event of rain, we will still hold the walk but activities will be moved inside to the Community Room.

We want to thank you for getting a team together and putting in time for this worthy cause.

***The GAPS Committee, SADI***
